Date: 29th June 2025 - 11:20AM

Jurisdiction: Private Membership Association — Freedom Collective Foundation

Dear Jaap,

This notice serves as formal documentation of your continued non-compliance with the lawful demands outlined in the Notice of Liability (NOL) delivered to you on 25th June 2025, and the subsequent written and verbal notices regarding the immediate return of my personal property and the resolution of your unlawful actions.

The 72-hour timeframe for you to respond or resolve this matter has now expired. You have failed to:

Return all unlawfully withheld property.

Respond to the Notice of Liability.

Engage in any good faith effort to resolve the harm, losses, and rights violations for which you are personally liable.

Due to your continued non-compliance, I now confirm the next lawful steps in this process:

This process remains peaceful, lawful, and fully aligned with God's Law, Universal Law, and the private jurisdiction protections of the Freedom Collective Foundation PMA.

Your continued refusal to engage in good faith leaves me no option but to proceed with lawful remedy and asset protection measures, including the formal pursuit of lawful financial claims, property liens, and any necessary actions to secure legal and equitable interest in your property as part of the resolution of this matter.

All rights reserved. No consent to unlawful acts.
