# ★ SEEING THE WHOLE PICTURE

*Your wedding day, and your union of love, is unique, personal, witnessed in truth, and something that should be cherished by every person joining you on your special day.*

*And, as you both walk forward confidently in love, you follow the steps that your parents took, and their parents took ~ for generations ~ to concede this union in marriage.*

*Many people follow the traditions of a white dress, that little bit of blue, the tiered wedding cake, the marriage license, and finally the words I DO.*

*From this day forward, you are now - husband and wife (or whatever combination you choose) in the eyes of the state.*

*From here, you may decide to purchase a new home;*

*You may have desires to start a family; become parents.*

*You hope to embody unconditional love, for a lifetime.*

*And, this is where the problem lies.*

*The reason why 44% of marriages end in divorce is because we ~ as global citizens of this world ~ trusted the process of marriage. We followed the footsteps of our parents, never questioning if this approach was right.*

*We trusted that the marriage license was innocent.*

*We believe these steps towards were moral, and just.*

*We thought that the simple step of saying I DO towards marriage was honour, because we were in love.*

*And, because we trusted, believed, and thought we were taking right actions towards love, we have missed the critical points in making this marriage last a lifetime.*

# ★ THE WHOLE TRUTH AND NOTHING LESS

*The contents of this e-book will unleash centuries worth of knowledge of how the simple act of saying I DO, in its current process, has created a silent destruction inside the family unit, that is responsible for most of the heartache, trauma and abuse on the planet.*

**What you don't  
know will hurt you.**

Jim Rohn

*The current process of marriage has destroyed what it means to be a family. It has severed the connection based in truth, and created a lie. The issues inside the current construct of marriage are downright abusive, and needs to be exposed, before any further heartache to innocent people happens.*

*This little e-book filled with wisdom, is a guide to educate you on what it means to get married through the state, which is where all of our problems of marriage trauma lie.*

*It offers examples of abuse of the current marriage process, and a clear path to the solutions that will avoid issues that so many couples face when commencing their love.*

*And finally, it is a learning process, with the intent to walk you two towards in a new direction, one with integrity, so you can honour your love, as you always intended to.*

# ★ REINVENTING MARRIAGE

*As you read the contents of this e-book, there are three stages of awareness.*

*The first is learning about the details of what it means to sign contracts with the state;*

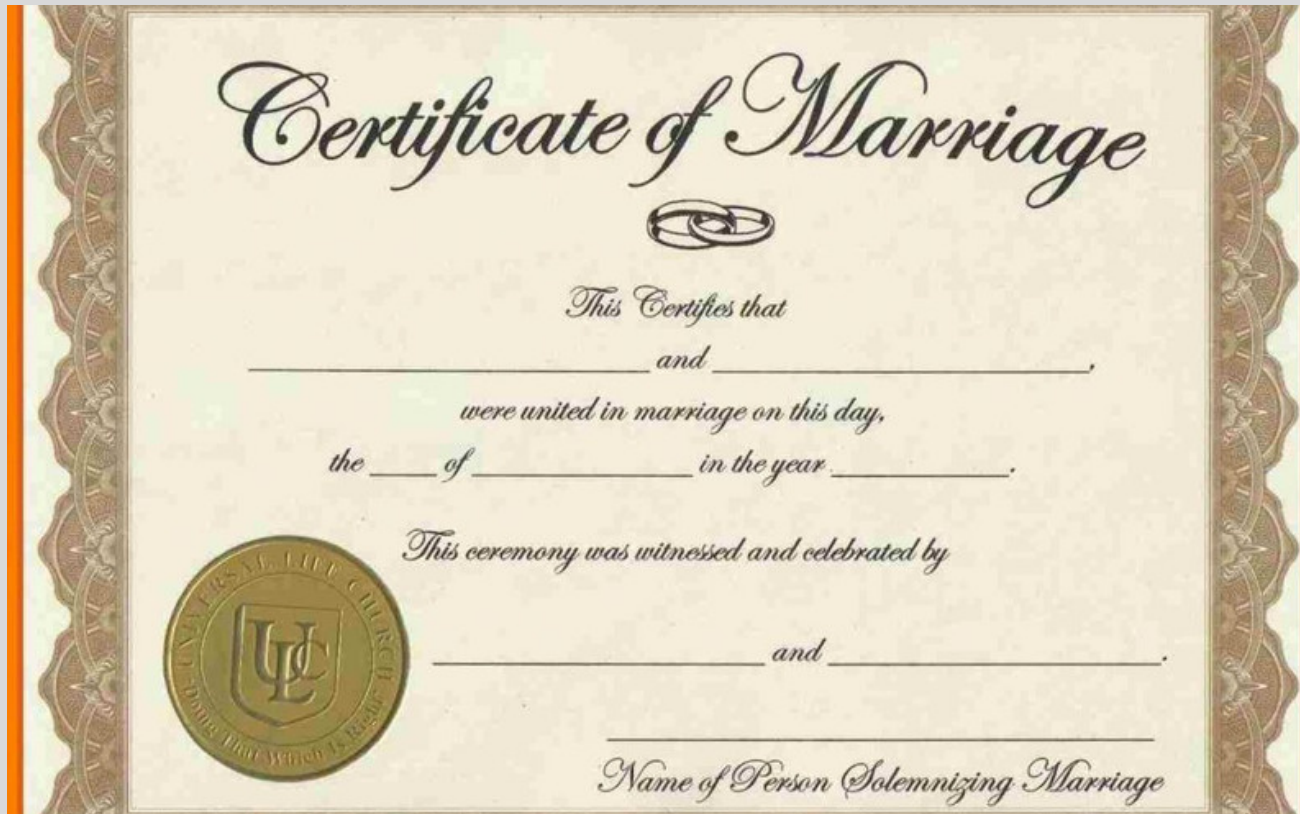

*the second are examples of how this has caused trauma inside families;*

*and the third are solutions that offer a much better process; a unification that is more aligned than the one we have now.*

*There are links at the end of this e-book. The goals are to educate you on the issues BEFORE you sign these state contracts, so that you can do your own research and protect yourself, during and after marriage.*

*And, if you have questions, support is here to answer them.*

# WEDDING & THE CERTIFICATE OF MARRIAGE

The truth of the marriage certificate is that it is a business contract and forms a corporation of the two people being married.

Marriage is a legal status, state, condition and relationship that results from a contract by which one man and one woman, who have the capacity to enter into such an agreement, mutually promise to live together in the relationship of husband and wife in law for life or until the legal termination of the marriage relationship.

A marriage licence is about asking the state for permission to do something which is of no concern to the state and the marriage contract is a contract between 3 parties with the STATE OF having the superior position in all decisions made inside the marriage; including all assets and children throughout that time of marriage, and subsequent divorce.

# ✦ FAMILY & THE BIRTH CERTIFICATE

*Birth Certificate*

This is to Certify that 

\_\_\_\_\_

Weighing \_\_\_\_\_ lbs. \_\_\_\_\_ oz. was born

on the \_\_\_\_\_ day of \_\_\_\_\_

to \_\_\_\_\_ and \_\_\_\_\_

In the year of \_\_\_\_\_.

Shortly after babies are born they are registered and, in return, receive a birth certificate. Most people think this birth certificate is innocent, that its a celebration of a new birth ~ a bundle of joy ~ happiness ~ love, but its not.

Indeed, this birth certificate is your "strawman" (aka a legal twin) that is used to identify you, and most importantly this twin that is created, is not owned by you, but the state.

As with everything you register, you are giving the title away. So, your parents inadvertently gave you away through registering your birth after you were born.

Yes, everytime a baby is registered they become property of the state and in turn, no longer have legal rights to that baby and are classified, by law, as two people who rent the child...aka: parents. THIS is where the big problem lies...

# ✦ CPS CORRUPTION ~ A GLOBAL PANDEMIC

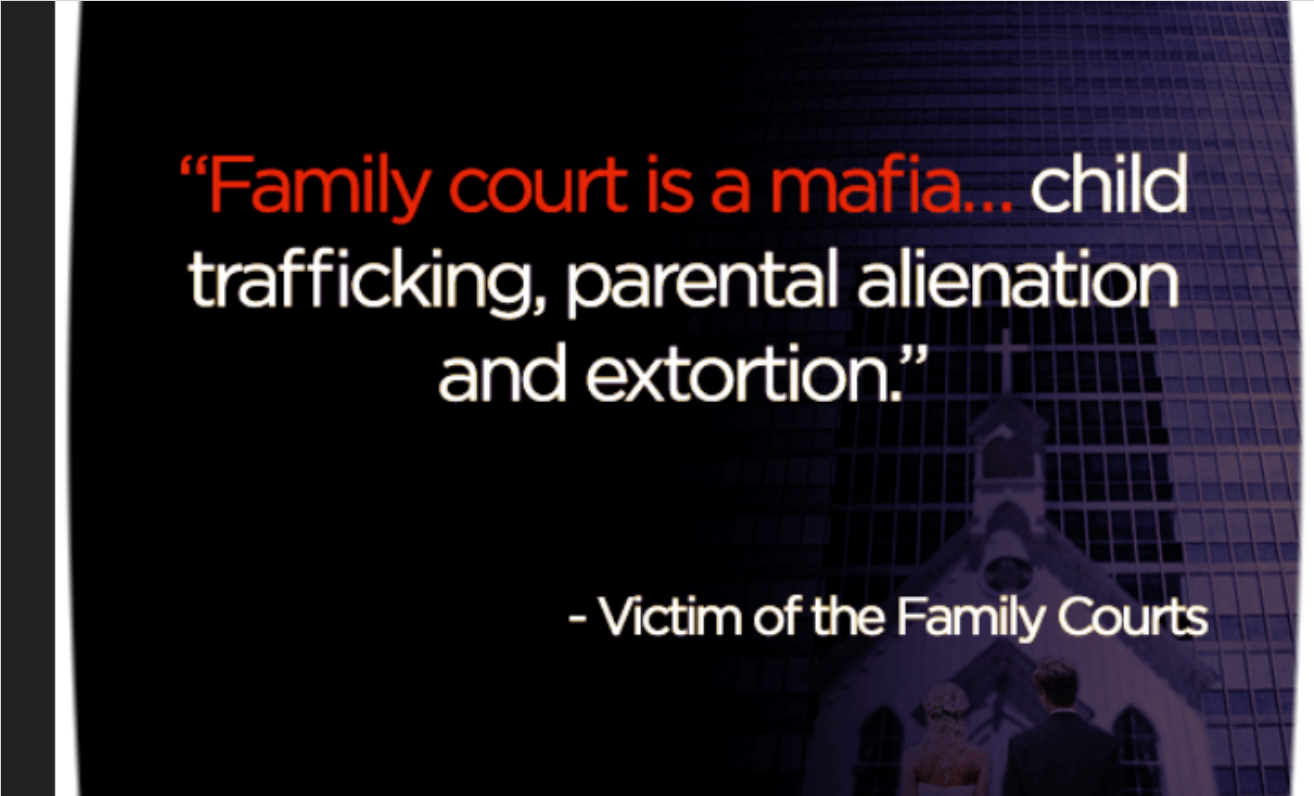

The birth certificate is the foundation for an international concern for the crimes against children with the deep corruption of government services ~ CPS ~ which is called The Department of Child Protective Services, also known as the Department of Family and Children Services (DFCS) which has become a “protected empire” built on taking children and separating families.

The birth certificate is an instrument of enslavement imposed on Municipal Citizens of the country you reside.

The Municipal PERSON (conveniently named after you) is the Slave, the state is the owner of the Slave-PERSON, and you are the Overseer, responsible for the Slave’s performance. If the Slave doesn’t perform, you go to jail and/or have your children taken away and sent through Child Protective Services to care for your son or daughter.

# ✦ PARENTAL ALIENATION ~ A GLOBAL PANDEMIC

**“Family court is a mafia... child trafficking, parental alienation and extortion.”**

- Victim of the Family Courts

*There is another concern related to the birth certificate and the management of children after divorce. The Family Court has become highly profitable business. In courtrooms across this nation, children are being torn away and isolated from their parents as they become pawns in a game designed to keep the mother and father fighting, and money flowing.*

*If you are in the process of getting a divorce or separating from your spouse, beware of Parental Alienation Abuse done by your angry (narcissistic) ex, and the family court system.*

*Parental Alienation takes place when one parent tries to isolate a child and turn them against the other parent. It occurs through both mental and verbal manipulation, and the other parent can lead your child to believe that you are the cause of all the problems related to the divorce and that you never loved them.*

# ✦ THE VICTIMS OF ABUSE OF THE FAMILY COURT SYSTEM

## Stop Family Court CORRUPTION

By now, you are probably saying WHAT????

Yes, it's true - the state run family court who are responsible for CPS and Parental Alienation causes most of the trauma and heartache families face through divorce.

So many men, who are victims of this abuse, commit suicide. They can no longer live without this love.

So many women, live a life of mourning a child who has not died, which causes severe depression, and also suicide.

So many young, innocent children are left in the cross fires of abandonment, and are psychologically traumatized through this process. They grow up with mental problems that express itself later in life in drug abuse, homelessness, criminal activity, and more.

And, this is just the tip of the iceberg when it comes to government corruption with the family, and children born through the traditional means, by parents who signed the wedding contract, and then again the birth certificate.

# ✦ LOVE & FOLLOWING THE RIGHT APPROACH

*As we all come to the understanding that the traditional marriage contract, and the register of birth certificate is not what we thought they were, and that these two steps that a man and woman takes when they join in the ceremony of love, is what causes a lifetime of destruction inside the family unit, we must ~ as a human collective ~ start to do things differently.*

*For instance, we don't have to get married through the state, we can have a 'common law' marriage that includes a jury of 12 family acquaintances that can be used for dispute resolution through out the families life's ups and downs.*

*We don't have to go to the hospital to have our babies, which is where the birth certificate fraud starts. You can have your baby at your home, under natural settings with a doula supporting your birthing process. You don't need to get a birth certificate, but life will change for your family.*

# ✦ LIFE CHANGES TOWARDS A NEW WORLD ORDER

To avoid any issues in your marriage today, you must take steps in a new direction. The links to research (on the last page) will show you that both the government sanctioned marriage and birth certificate are connected to the concept called ~ The New World Order ~ the most important concept of our lifetime.

In order to avoid any future trama in your marriage, you will want to learn about the new world order, and how these two contracts are responsible for your overall happiness, and will be the root cause of pain and suffering in a marriage that is 44% likely to end in divorce.

You will want to avoid the state, as a first priority, when you choose to get married, so you can make new decisions, and take steps in a new direction for your next chapter. We need an entire new process that goes against traditional marriages, if we want to avoid the WHAT??? in divorce.

# ✦ FURTHER SUPPORT FOR YOUR FAMILY PLANNING

*The wisdom in this little e-book is backed by centuries worth of knowledge, and first hand experience the corruption of the Family Court related to the marriage and birth certificate fraud that we go through as a collective.*

*As you read the content in this book, know that you might be shocked, which is expected. You are supported by thousands of people who have walked down a path that ultimately leads to destruction, because of our ignorance of what these two state contracts really mean.*

*As you take the steps to conceal your love for your partner, make sure you learn about these pitfalls to marriage, the unknown traditions that were handed down, so you can avoid the problems related to them.*

*My hope is that you follow the advice in this book, so we can all reinvent marriage and save a lifetime of trauma for you, and the future of your family ~ you will thank me later.*
